Dear rogers karen

I am writing to apply about the vacancy of Team member in your company. I enclose my CV for your information.

As you can see in my attached cv , I have had extensive work experience in office environments, the Software Development sector and service industries, giving me varied skills and the ability to work with many different types of people. I believe I could fit easily into your team.

I am currently studying MSC Advanced Computer Science in University of Hertfordshire Hatfield.

I am a conscientious person who works hard and pays attention to detail. I'm flexible, quick to pick up new skills and eager to learn from others. I also have lots of ideas and enthusiasm.

I would be delighted to discuss any possible relevant vacancy with you at your convenience. In case you do not have any suitable openings at the moment, I would be grateful if you would keep my CV on file for any future possibilities in this case.

Yours sincerely
